

# Rupert's Parchment

## Story of Magna Carta

By Eileen Cameron - Illustrator Doris Ettlinger

“...this presentation adds life, color and personality to events, emphasizing to a young audience why the historic Magna Carta signing was so important...”

Add a concluding discussion of principles, casts of characters, a glossary, and an overview of the basic principles of the Magna Carta and its amendments and you have a unique treatment that grades 3-6 will relish.” - **Midwest Book Review**

“Very accurate for fiction and the story is very well explained and expanded.” **Gloria Clarke, Librarian, Gillotts School, UK**

“...The book in my view is excellent and gives a brilliant overview in not too simple terms, accompanied by some excellent illustrations...”  
**5 Stars, Donna Maguire, Goodreads**

“Considered the foundation of liberty, there will be celebrations around the world... The delightful new book, **Rupert's Parchment: Story of Magna Carta** by award-winning author and historical preservationist Eileen Cameron, provides an authentic experience for children to share this historic event.” **don411.com**

“Teachers will appreciate how this book compares clauses from Magna Carta to some of the amendments in the American Bill of Rights, showing how Magna Carta still influences today's society, making it a great addition to a classroom setting.” **5 Stars, Self-Publishing Review**

Rupert, son of a local parchment maker, has a ringside seat at the historic sealing of Magna Carta in the English meadow of Runnymede in the year 1215. In this great charter, King John pledged to honor the liberties and rights of free men. **RUPERT'S PARCHMENT** offers children an on-the-spot presence as they witness with Rupert the granting of English freedoms, which after centuries, influenced the birth of American freedoms.

Perfect for Ages 6-11 ~ Hardcover 32 pages
